Financial Report/ Acceptance – October 31, 2008

President’s Report, Rita Eissmann

The Association is fiscally sound. The Board has taken time for an accurate Budget allowing for the expertise of the members and for possible legal costs in the future. Jim has done a fantastic job in keeping the funds safe.

Old Business

Audit Update: The Auditor, Gene Clausen, had a difficult time given the lack of financials from the previous property manager. He did not believe there was any fraud or loss – just incompetence. His recommendation was to move forward. The Association will be required to have a review each of the next 4 years and an audit the 5th year.

New Business

• **INSURANCE D&O and Liability**

Jim Manly stated that he had reviewed the insurance coverage with Scott Johnson of Wells Fargo. The prior policy was through Benchmark/Associa and did not contain coverage for property loss. The new policy is cheaper and has better coverage.

• **Board Approval of 2009 Budget**

Motion: Rita Eissmann Second: Larry Morasse Unanimous
The increase in assessments will be \$2.75 per quarter rounding up the assessment to \$325 per quarter. The first increase in 5 years. The Board is working hard to maintain the community – clean and presentable. Owners have been requested to maintain their properties, the storm drains have been cleaned and the streets swept.

Jim Gaskill was concerned that the Reserve Study will not take into consideration the cost of oil over the next 20 years. Jim Manly pointed out that Jim Gaskill had been part of the initial reserve study workshop and that they had discussed this possibility then. The reserve study is required to be updated every 5 years which will take changes into consideration as time passes.

Jim Manly was confident that it will be easy to fund the reserves in 2009. The Ferroni settlement was added to the Reserve.
