Notice to all Fairway residents:

Beginning tomorrow (Wednesday) afternoon and thru Friday morning, there will be a road work crew in the middle of the road working on installing special manhole covers. These covers, called "Levelers," will make for a smoother ride over existing manholes and utility caps.

Please give these workers your upmost consideration when traveling thru the community by slowing down when you see the traffic cones and/or workers in the roadway. It would be greatly appreciated if you could communicate this notice to any and all service and delivery drivers that will be coming to your home to insure a safe and caring respect for the road work crew.

Thank you all for your cooperation in this important matter.
