## WINTER SNOW PLOWING REMINDER

Tuesday, November 24, 2015

With our next big storm coming in over the next 24-48 hours, we wanted to advise our members that the road way will be plowed by J & R Landscape once the street reaches a depth of 3" and falling. The roads will also receive a deicing treatment.

We will be leaving the gates open during the storms and expect to close them when it dies down on the 25<sup>th</sup>.

We ask that when you clear or plow your driveway, please keep the snow contained within your lot. Please do NOT clear your driveway into the street IF THE STREETS have been plowed. Please plow or blow your snow within your lots.

This will greatly improve the traffic safety for the drivers in the community. Your attention and cooperation in this matter is appreciated.

Thank you!
