## **Fairways Notice**

### **Do Not Walk On Golf Course**

To all of our Fairways Homeowners:

Golf Season is back, I would like to remind homeowners that the golfers will be playing 30-40 minutes after sundown. Then the irrigation system will turn on.

Reminder: **\*\*They use effluent water to irrigate the golf course. \*\* Definitely No One Should Be On The Course At This Time.**

**The Wolf Run Golf Course is Private Property, Do Not Walk On the Golf Course.**

Thanks for your attention in this matter,
